## EXPERIENCE

### Public School Administrator 2013 - 2021

- Set yearly goals based on current and historical analytic data that directly impacts teachers, students and the community.
- Ongoing analytical assessment of data that drove quarterly decision making adjustments and/or celebration of meeting benchmarks.
- Lead technology driven professional development for teachers.
- Build trust through strong daily communication through email, social media, and conferencing.
- Remain a calming source for campus through high stress situations.
- Organize and Prioritize multiple projects in order to meet deadlines.
- High commitment and regular punctuality

### Public School Teacher 2004 - 2013

- My level of commitment as a teacher reflected the duties listed above, however, the vast responsibility of leadership was to students in my classroom and their parents.
